CODECAMP

BEFORE & AFTER SCHOOL PROGRAMS

Weekly workshop-style programs where kids in years 2-9 code a game or app of their design!
Sessions are 75 minute before or after school one day per week (8 weeks).

Code Camp provides

- A fun and creative workshop style class where the children will learn a new feature every week to create a multi-level player game
- Online enrollment process and parent communications
- Digital flyer with booking link and printed flyers if required
- Teaching staff have valid WWC Checks / Blue Cards
- Public liability insurance ($20m)
- Risk assessment and Child Protection Policy
- Ongoing access to our software (Code Camp World) and Lesson plans to encourage children to continue coding at home

Courses

- 2D Game Creation (Year 2 - 6) using block coding
- 3D Game Creation (Year 7 - 9) using JavaScript line coding
- Website Creation (Year 7 - 9) using HTML, CSS & JavaScript

Requirements

- A classroom with a projector and access to Wi-Fi
- Access to the classroom 15 minutes before the session to set up
- An emergency contact of someone based at the school (the school or OOSH retains Duty of Care)

Computers

Your school to provide computers or laptops, **or** a storage space for Code Camp laptops for the term. Code Camp retains all responsibility of school computers or laptops, or our laptops stored at the school. We have public liability up to $20 million.

Program Cost

- Total cost per student $260 per term
- NSW residents can use their Creative Kids Voucher to access $100 off
- Minimum 10 students to go ahead
- The maximum class size dependent on spaces available

For any enquiries, or to make a booking for your school, please contact Hannah Beesley, Partnerships Director on 0416 165272 or hannah@codecamp.com.au

Come and see our Indian cooking demonstration!

Here at Camp Australia we have been thinking very hard as to how we can further engage the children, along with engaging the families too!!

So, after gathering a lot of feedback and queries regarding delicious snacks we offer the children we thought we would do our very own cooking demonstration.

When: Wednesday 21st August
Where: Room 6
Time: 3:15pm – 4:00pm
What: Cooking demonstration, taste testing & a free recipe card!

Please feel free to come along and join us!

Whilst you are there, why not pop in and meet the team.

To find out more about our program, view our fees and to register, visit **www.campaustralia.com.au** and search for our school. It's free to register!

We look forward to seeing you and your family soon!

Weeding at Floreat Coastal Path 16 - this Sunday, 18th August, from 9am

Weeding (not everyone's favourite work!) is planned for this Sunday, 18th August, from 9am at Floreat Coastal Path 16. After all the good rain, the weeds are threatening to smother the seedlings we planted in June 2018.
Guidance will be given throughout the morning on which are the plants to save and which are the weeds to exterminate!
In addition to a hat and water, it would be a good idea to wear long pants with closed shoes, as some of our local animals eg bobtails may be on the move.
And it would be wonderful if you could bring your own long-handled garden fork or three-pronged hoe (will save your back).
As you can see from the photos - we really need "all hands on deck"!
 And we'll really deserve coffee together afterwards.
