

West Leederville Primary School

SCULPTURE UNDER THE TREE 2017

Our first ever sculpture exhibition invites students and families to create a sculpture guided by the theme 'Reuse – Recycle – use found materials and set your imagination free'. Try to use materials that will last outdoors, as we are hoping to choose some to be permanently displayed in the school grounds. Entries accepted from the 10th May to be delivered to the hall with entry forms attached.

Information is available on our website: wlps.wa.edu.au

The Sculpture exhibition is going to take place under and around the big tree on Thursday the 18th of May from 4pm to 7pm. There will a special guest to judge the sculpture entries and prizes donated by the P&C. The P&C are also organising food and drinks for sale on the night.
