Parkour is coming to WLPS!

Beginning on Friday March 2, a 5 week parkour program will be run at West Leederville Primary School (Friday mornings 7:30-8:30am). This program is open to students in Years 1 -6, boys and girls.

The cost is **\$125 for 5 weeks**. Payment details will be forwarded to you when the registration form is returned (collect from reception). You will need to pay in full **by 26 February** to secure a place and places are limited.

Parkour originates from the French term "le parcours" meaning "the course". Developed from military obstacle course training techniques, it focuses on getting from A to B as quickly and efficiently as possible using combinations of running, swinging, climbing, vaulting, jumping, rolling and quadrupedal movements.

Please read the information attached to the registration form and contact Sarah Williams (coordinating parent) on sarahwilliams71@me.com for any more details.

Junior Hockey at West Leederville & YMCC

If you are in Year 1 to 6 and keen to play hockey in 2018, West Leederville is looking for junior players. Our home grounds are at the beautiful Perry Lakes Reserve in Floreat. We have a terrific family club with a BBQ sausage sizzle, coffee station and canteen open every Saturday.

In 2018 we are running our J 1/2 competition which is open to all kids in Year 1 and 2, no previous experience needed. The games are modified hockey with 7 players per team and take place on Saturday mornings with a training session during the week at Perry Lakes.

YMCC also runs a competitive J3/4 competition for players in Year 3 and 4. The competition involves hockey schools from our area.

You can register online for one of our West Leederville teams. www.ymcchockey.com
Please email Stewart McDonald for further info on stewartmc70@hotmail.com

For those in Kindy and Pre-primary we will be continuing to conduct an introduction program on Saturday mornings called Minkey. In this program players learn skills, rules and the safety aspects of hockey in a fun and relaxed atmosphere.

For players in Year 5 and 6, YMCC has availability for players of all levels and experience. Preseason fitness training for year 4's and older is currently running on Wednesday afternoons from 5.15pm. Pre-season training will begin in March 2017.

Registrations for all age groups are open NOW.

For further information please refer to the club website, www.ymcchockey.com

To register your interest in any of these hockey programs please go to the website or email stewartmc70@hotmail.com

Languages of Love and Children

Workshop Overview:

Gary Chapman, author of 'Five Love Languages for Children' says, "Loving our children isn't always enough. Learning to speak their love language communicates your love in ways they'll understand right from the beginning." This seminar will provide you with insight to your child's and your own love language.
