GREAT FUN

CCS is here! Changes have been made to your Government Subsidy.

Did you know that on **Monday the 2<sup>nd</sup> of July** the Government's old fee assistance, CCR and CCB, were replaced with a single **Child Care Subsidy (CCS)**. Great news is this new subsidy is available at all Camp Australia services!

CCS affects the amount of fee assistance each family receives. A few things that will determine a family's level of Child Care Subsidy are:

- Annual income will determine the percentage of subsidy a family is eligible for,
- An activity test will determine how many hours of subsidised care families can access, and
- The type of child care service will determine the hourly rate cap

You must confirm your enrolment as soon as possible on the MyGov website: <https://my.gov.au/> and confirm your personal details. This is what determines how much assistance you will receive.

Due to CCS being brand new, **your details will not automatically roll over** from previous years, so to prevent any complications please confirm your enrolment otherwise you may not receive any subsidy until you do so.

You can find more information at: <https://www.education.gov.au/ChildCarePackage>.
