## THANK YOU FROM THE VILLAGE LIBRARY PROJECT COMMITTEE for the new Wekohnye Village Library toilet!

On Friday 9 March 2018, nearly 100 children and their families from West Leederville joined together at Cowden Park to host and participate in toilet themed games and visit stalls with food, books and other treasures, all to help raise funds for the young readers of Wekhonye – a small Western Kenyan village.

A big thank you to everyone who contributed and participated! With over \$1,000 raised, the children of Wekhonye can now look forward to using a new, safe toilet when they visit their library.

The need for a library in Wekhonye was identified by a West Leederville family in conjunction with the local community in 2012.

This idea evolved into what is now the Village Library project, providing a safe space for village children and families to read and gain computer skills.

We are proud that residents of West Leederville and surrounding neighborhoods continue to support this important and unique initiative.

If you would like to become a 'Friend of the Library' and get involved in other events to support its continued operation, please contact Shae 0412 647 787.

Now is the perfect time to order a NEW 2018/2019 Entertainment Membership because, for a limited time, you'll receive over \$180 of valuable Early Bird Offers you can use over the School Holidays!

Your purchase of an Entertainment Membership contributes towards refurbishing the school library. The more Memberships we sell, the more we raise, so please tell your family and friends.

## Calling children across Western Australia to join the hunt for the Golden Feather.

"I've got the Golden Feather!"

A statewide search is on for five 'golden feathers' hidden in books which will unlock a world of magic and storytelling for the children who find them.

The Scribblers Festival Golden Feather Hunt kicks off in libraries across the state next week in the lead-up to the inaugural Scribblers Festival, a new children's festival celebrating storytelling from 9-13 May in Claremont.

**The Golden Feather Treasure Hunt:**  
1 March - 13 May

Throughout March and April, feather-shaped bookmarks will be hidden in children's and young adult books in participating libraries\* across Western Australia.

**Scribblers Festival:**  
Wednesday, 9 - Sunday, 13 May 2018

Scribblers Festival director Katherine Dorrington said there were five golden, 20 silver and hundreds of 'ready-to-decorate' feathers to find, as well as fantastic prizes up for grabs.

For interviews or additional images and information, please contact [media@form.net.au](mailto:media@form.net.au) or call (08) 9226 2799

"We're really excited to bring the Golden Feather Hunt to kids all over Western Australia as part of the festival. It's going to be a lot of fun – and a great adventure," Ms Dorrington said.

"We're thrilled that we've got so many regional libraries participating, giving kids and families in regional communities the chance to take part."

There will be major prizes for the children who find the five golden feathers, including an iPad, two-nights' stay in a local hotel, a VIP pass to attend Scribblers Festival, and a customised book package. For those who find the silver feathers, there will be runner-up prizes and those who find the other feathers can draw on, colour, paint and decorate them and share them on social media to win spot prizes.

For interviews or additional images and information, please contact [media@form.net.au](mailto:media@form.net.au) or call (08) 9226 2799.

### **Life Can Be Tough – Bend Don't Break**

Lifetime wellbeing for individuals, families and communities has been linked to developing resilient behaviours. But what does resilience look like? It is definitely **not** a matter of being tough in every circumstance no matter what life throws at you; and it is **not** a fixed trait which a lucky few inherit. This seminar will give you the opportunity to explore how resilience contributes to your health and wellbeing as well as some practical ways to enhance your resilience throughout your life.

Mondays 3.30 pm to 5.30 pm  
Perth College \$140

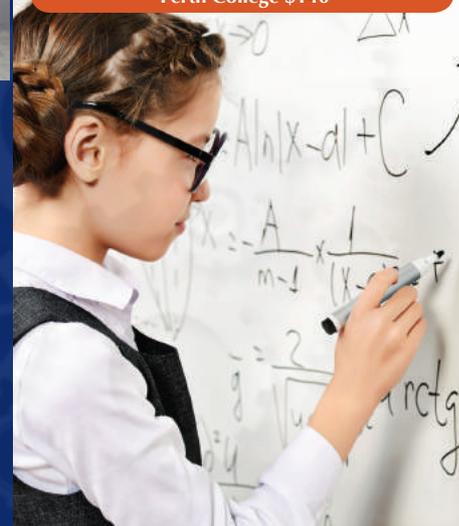

## STEMinists

Years 3 to 6

Participants will challenge themselves through a range of complex tasks that enable them to investigate, experiment and explore STEM concepts in depth through hands-on activities. Moving beyond their initial engagement of the activities to a deeper learning of phenomena, this course encourages participants to question, wonder and think critically and creatively about the concepts being explored.

7-week course commencing Wednesday 9 May

Wednesdays 3.30 pm to 5.30 pm  
Perth College \$140

## Creativity Abound

Years 1 to 6

Participants will develop their creative thinking skills through incorporating fresh perspectives to problems or situations presented to them. They will imagine, daydream and play around with a suggestion or theory and apply creative thinking techniques to a variety of problem solving tasks. Participants will make connections between seemingly disparate ideas, embrace their originality, and explore the use of creative thinking through different avenues.

## Child Australia Presents: A Parenting Workshop with Claire Orange Suitable for Early Childhood to Early Adolescence

**When children make their way out of your arms and into the social world of friends and friendships, do you often feel as though it is like navigating your way through a deep dark forest?**

Join us as we take a 2 ½ hour journey of discovery with our resident Child Wellbeing Guru Claire Orange, where together we will explore those frightening parenting concerns including:

- Helping children to master their internal world of feelings and moods.
- The complexities of making friends – and keeping them.
- Toxic friendships and what to do about them.
- Bullying, teasing and cyberspace.
- Nurturing and developing your child's coping skills.

This workshop includes a 2 hour interactive presentation and ends with 30 minutes of Q&A. You can submit anonymous questions if you like.

Claire Orange is a renowned parenting expert and child therapist. You may recognise Claire from her parenting expert segments with [Channel 9](#) or you may have heard her on radio news programs like [6PR](#). Claire is also well known throughout schools in WA with her social, emotional wellbeing program for children - [BEST Programs 4 Kids](#).
