A special message to parents of Year 6 students who will be going on to Churchlands Senior High School next year. The transition to high school is huge for our 12 year olds and it will come as a shock to some parents that they no longer enjoy the same 'connection' with their child's school as students are growing up and finding their own way. Ironically, it's as our children grow into teenagers that we need to tighten the bond we have with them to ensure they always feel supported. Joining a school of almost 3,000 students can be daunting for some. A great way to connect closely to the school is to join the P&C. At CSHS the Principal, Mr Neil Hunt, attends the P&C meetings every month, keeping parents informed of important issues and decisions made in relation to the management of the school. He is also very supportive of P&C initiatives. Please consider becoming a member by attending the AGM in February 2019. You will find details of all P&C events on their FB page or on the school website. Happy to answer any questions you might have so feel free to contact me on 0438 998 300. Kate Sinfield, parent and member of CSHS P&C.

SEAMER SPORTS

Ladies Netball OPEN DAY!

LADIES - YOU ARE BEING CALLED!

Seamers are pleased to announce that we will be opening up the centre on

Wed 28th Nov for a Ladies Daytime Netball OPEN DAY!

This FREE event will be open to the general public and advertised both online and on the radio. Whilst we are largely targeting 'school mums', our daytime leagues and this open day are open to all ladies. Details of the Open Day are as follows:

Date: Wednesday 28th November

Time: 9:30am - 12:30pm

Cost: **FREE!!**

Bring: Sports attire, closed in shoes - all else provided (coffee and food available)

Got Kids? - Don't worry - we have a Creche and will entertain them for only \$3.

Contact: Nicki - netball@seamersports.com OR seamers@seamersports.com

How it works: To put it simply - we will create teams and mini-games 'on the fly', making sure anyone who wants to play gets a go. Regular Wednesday teams are strongly encouraged to attend although there won't be a regular fixture on this day. We will most likely combine new players with existing teams for the day (so the more experienced players can guide any newbies).

We encourage you to spread the word - even if it's only for a one off come and try experience. Please send any queries through to us or contact the centre on 9240 4157. We are looking forward to having an awesome and busy day and hope to see as many of you there as possible!
