

Dear Parent/Guardian,

I am pleased to provide you with the following details regarding our excursion to:

Kings Park Naturescape on 21/3/19. Students will discover how Perth has changed over time and learn about its first people and traditional custodians, the Wadjuk Nyoongar people. They will learn how Nyoongar people used plants and animals for food, traditional stories, family structure, shelter and protection. Students will also have time to engage with nature through play in the Naturescape park and use their mapping knowledge in an orienteering program. The Naturescape playground has no bins so please make sure that your child has as little waste as possible. This excursion has been planned to supplement the learning program in your son's/daughter's classroom.
