

Dear Parents/Guardians of Years 3 – 6 students,

I would like to extend an opportunity to your child to participate in the Australian Mathematics Competition, which will be held on Thursday 1st August 2019. The entry fee is \$6.50. This year, all students will participate in an online testing environment.

This is an internationally recognised competition that has been held annually since 1978. The competition aims to be accessible to all children; not just the mathematically talented. However, the 30 questions presented in the competition emphasise problem-solving and high-level thinking.

Through strong performance, participants can qualify to receive a Certificate of High Distinction, Distinction or Credit, or alternatively, a Certificate of Participation or a Proficiency Certificate. All students receive a detailed report showing how they performed on each problem, with wider statistical rankings.

Further information is available on the AMT website at www.amt.edu.au

If you would like your child to participate, please return the consent form to your child's teacher and provide the **\$6.50 entry fee** by **Friday 28th June 2019**.

NOTE: Staff accompanying students on excursions will take all reasonable care while the students are in their charge to protect them from injury and to control and supervise their behaviour and activities. Parents/guardians should be aware that staff members are not responsible for injuries or damage to property which may occur on an excursion where, in all circumstances, staff have not been negligent. Costs incurred as a result of accident or illness are the responsibility of the parent/ guardian. Parents are required to inform the organisers well before the scheduled excursion departure of any change to their child's health and fitness so that appropriate supervision may be arranged. Where it is considered necessary, school staff will arrange medical assessment and treatment for students. Should you have any queries, please do not hesitate to contact me/ the teacher in charge of the excursion on 9381 1655 or via email.

Michael McInerhney
Associate Principal

YEARS 3 – 6 STUDENTS AUSTRALIAN MATHEMATICS COMPETITION
Voluntary Participation: \$6.50 entry fee

Child's name: _____ Teacher: _____
