scitech

is coming to Camp Australia!

After talking with the children in the service and getting their feedback on what they would like to see, we have decided to invite Scitech to our service!!

On **Tuesday 12th on November** between **3:30pm and 5:30pm**
we will be looking at **Physical Sciences – Prove it and Move it.**

Scitech will be running a show, along with 2 workshops!
– one for the younger children and one for the older children!

Then...

On **Monday 25th November** between **3:30pm and 5:30pm**
we will be looking at **Chemical Sciences** with the **Element of Surprise!**

Again, Scitech will be running a show, along with 2 workshops!
– one for the younger children and one for the older children!

Join the Town for a range of free community events during National Recycling Week.

All workshops will be held at Cambridge Library, 99 The Boulevard, Floreat.

Rubbish to Resource

**Monday 11 November & Tuesday 12 November
1.00 pm - 2.00 pm**

Explore the what, why and where of household waste through hands-on problem-solving activities and discussion in this introductory workshop. Attendees explore and learn what goes in each bin, where it goes, what happens to it there and the impact on our environment if waste is not managed well. This workshop will highlight the three-bin GO (Garden Organics) system (2 sessions).

Smart Shopping

Wednesday 13 November, 1.00pm - 2.00 pm

Learn how to make smarter decisions while shopping for everyday items and reduce packaging waste at the source. Attendees will explore different types of packaging, what can and can't be recycled, the pros and cons of buying in bulk, and where different kinds of waste are likely to end up.

Please note this workshop is only for those who have attended the Rubbish to Resource workshop.

Beyond the Bins: Recycling in the Town

**Wednesday 13 November 5.30 pm - 6.30 pm &
Thursday 14 November 4.00 pm - 5.00 pm**

Learn all about the recycling opportunities available in the Town of Cambridge in addition to the 3 bin GO kerbside system.

Organics Recycling

Friday 15 November, 1.00 pm - 2.30 pm

Learn about why organics recycling is so important, and what your options are with Waste Education Officer Peg Davies. Peg has been talking rubbish for years and she will show you easy ways to make beautiful compost with whatever is available so you don't need to buy fertiliser again! Peg has been involved in several community gardens and supported schools create affordable, easy garden material.
