

WebEx

1. Download the WebEx App (icon: )
2. When the app opens, you will first need to login. Use your full student email address.
Firstname.lastname@student.education.wa.edu.au
*(in the address above, the firstname.lastname is your Connect username. It might include a number). This needs to be done on two screens.
You'll then be taken to the Department of Education login page. Use your firstname.lastname and your Connect password. Check the box and then login.*
3. Click on 'Join Meeting'. You will then be logged in and should only need the class code in future (not all the other details).
4. You will now need to enter your class code:
Teacher will provide their personal code.
5. When logged in, you will see everyone's screens (it may work most efficiently if cameras are turned off).

Note: In order for the session to run smoothly, we will ask for you to raise your hand when you have a question. To raise your hand, you click on the person icon (). When you click on it, there is the option to "Raise your hand" in the bottom right hand corner.
