SCHOOL BOARD

Letter from the School Board

To the staff at West Leederville Primary School

We are writing this letter to say a very big thank you to you, on behalf of all the parents and carers of children at the school.

Clearly, the last few months have been extremely difficult for many people in our community, and the challenges will continue for quite some time to come. However, we are acutely aware that few groups have had as much strain placed on them as our teachers and support staff.

We can only imagine the enormous undertaking it must have been to completely redesign the curriculum for online delivery in Term 2. The kids were up and running in no time and the engagement from teachers was exceptional. And with all of this just in place came the news that schools were re-opening and teachers would be required to cater for children returning to school and still maintain an online education program. Yet again, you rose to occasion, and the welcome return to school has been a positive and reassuring experience for everyone. This again highlights the agility and commitment of the staff at West Leederville and the tireless support provided by Fiona Kelly and her leadership team throughout this period.

We want to thank you all so much, for your hard work and good spirit during these challenging times. It is hugely appreciated, and you have our heartfelt support and gratitude.
