

WEST LEEDERVILLE

Dear Parents/Guardians of Years 3 – 6 students,

I would like to extend an opportunity to your child to participate in the Australian Mathematics Competition, which will be held between Thursday 30 July and Thursday 6 August 2020. (actual competition date yet to be decided) The entry fee is \$6.50. This year, all students will participate in an online testing environment.

This is an internationally recognised competition that has been held annually since 1978. The competition aims to be accessible to all children; not just the mathematically talented. However, the 30 questions presented in the competition emphasise problem-solving and high-level thinking.

Through strong performance, participants can qualify to receive a Certificate of High Distinction, Distinction or Credit, or alternatively, a Certificate of Participation or a Proficiency Certificate. All students receive a detailed report showing how they performed on each problem, with wider statistical rankings.

Further information and practice examples are available on the AMT website at www.amt.edu.au

If you would like your child to participate, please return the consent form to your child's teacher and provide the **\$6.50 entry fee** by **Friday 3 July 2020**.

NOTE: Staff accompanying students on excursions will take all reasonable care while the students are in their charge to protect them from injury and to control and supervise their behaviour and activities. Parents/guardians should be aware that staff members are not responsible for injuries or damage to property which may occur on an excursion where, in all circumstances, staff have not been negligent. Costs incurred as a result of accident or illness are the responsibility of the parent/ guardian. Parents are required to inform the organisers well before the scheduled excursion departure of any change to their child's health and fitness so that appropriate supervision may be arranged. Where it is considered necessary, school staff will arrange medical assessment and treatment for students.

Michael McInerhoney
Associate Principal

YEARS 3 – 6 STUDENTS AUSTRALIAN MATHEMATICS COMPETITION

Voluntary Participation: \$6.50 entry fee

Child's name: _____ Teacher: _____

I would like my child to participate in the Australian Mathematics Competition to be held between Thursday 30 July and Thursday 6 August 2020. (actual competition date yet to be decided)
