

WEST LEEDERVILLE
PRIMARY

West Leederville Primary School

Lap-a-thon

Thursday 25 June

West Leederville Primary School has been trialling the use of flexible furniture in classrooms. Based on positive student and teacher feedback, we would like to purchase more flexible furniture for use across the school. The Year 4 students and their teachers are working together to organise a lap-a-thon. This will be run as part of the physical education program to be held on Thursday 25 June, at Bob Hawke College.

All students from Year 3 to Year 6 will participate in this fun event, even if they have not completed a sponsorship form. Your support of this fundraiser is very much appreciated, however the fundraising aspect is optional.

Each student is encouraged to try and raise \$10.00 from family and friends. Prizes will be awarded to a child from each year group who completes the most laps. Students must bring their sponsorship form on the day. Once the event is completed, sponsorship forms will be returned with the number of laps endorsed by teachers. Money should then be collected and returned to the school by **Thursday 2 July**.

- Students will run for 30 minutes at their own pace on the oval at Bob Hawke College
- Year 3 and 4 students will run 150 metre laps
- Year 5 and 6 students will run 200 metre laps
- Each lap will be recorded using non-toxic marker to make a small mark on each student's arm
- Students can be sponsored for each lap completed or a straight donation made for their effort

Students are reminded not to go doorknocking for sponsorship, as this may put their safety at risk.

Due to COVID-19 restrictions, finer details of the day's operations will be finalised and communicated closer to the date.

Rachael Swinhoe, Mim Hawgood & Phil Braimbridge
Classroom teachers and Phys Ed teacher.
