

WEST LEEDERVILLE
PRIMARY

Dear Parents and Carers,

As you have more than likely heard over the last couple of hours, from 6pm tonight the Perth Metropolitan Region; Peel Region and South West Region of Western Australia will be in a COVID total lockdown for the next FIVE (5) days.

From the WA Department of Education:

"The school holidays are extended for one week for the Perth, Peel and Southwest region. These regions will go into full lockdown for 5 days. All staff in these regions are not to go to work."

From Camp Australia OHSC

Camp Australia will not operate a holiday program on Monday at West Leederville Primary School. After meeting on Monday, management will be in contact with their clients to advise further.

From the ABC Web Site:

"Stay home; You cannot go to your holiday home. Work at home remotely if you can. Do not move about the community unless you need those absolute essential services, food, and one hour exercise (with one other person). Wear a mask at work and in the community. Do not abuse the trust of your neighbours and cooperate."

I have also attached the Government link which provides clear instructions.

<https://www.wa.gov.au/government/covid-19-coronavirus>

I hope you enjoy another week with your kids. Stay happy and safe.

Warm regards,

Fiona Kelly

Principal
