Dear Parents and Carers,

Meet and Drop Friday 28 January 1.30pm – 2.50pm

We would like to invite you to meet your teacher, and drop off your Personal Items on Friday 28 January between 1.30 – 2.50pm. You may call in at any point during this period.

The purpose of this open afternoon is to provide an extended period to:

- allow both parents and students an opportunity to briefly meet the teacher/teachers and see the classroom - we are hoping this will help to ease some of those first day butterflies for both students and parents;*
- to allow parents and carers to have a quick chat or pass on any messages to the teacher if necessary;*
- to drop off your Personal Items; and*
- to decrease the need to enter the classroom on Monday and reduce crowding in the classroom at the beginning of the school day / new school year (and encourage social distancing as appropriate with the current COVID Health recommendations and community spread).*
- to allow an extended period of time for people to call in and allow for social distancing.*

This opportunity is optional. If you can't make it, please don't be concerned – those who can't make it on Friday will still be able to enter the classroom on Monday.

** Please note: This is not the time to have an extended discussion with the teacher about your child's needs or class placement. If you need to talk to the teacher, please use this opportunity to make a separate time for a meeting.*
