

School Contributions and Charges 2023

The School Contributions and Charges booklet helps parents and carers understand the school fee structure and determine the estimated total cost of their child's education.

The costs outlined are maximums that the school will not exceed. Actual costs for most parents will be below these figures.

The West Leederville Primary School Board has endorsed this schedule.

2023 School Costs

There are six areas to consider:

1. VOLUNTARY CONTRIBUTIONS

The Western Australian Government's priority is to ensure that all students are able to access an education program that satisfies the requirements of the Western Australian Curriculum, within the prescribed maximum contribution of \$60 for students enrolled in Kindergarten to Year 6. While the contributions are voluntary, the quality of our teaching and learning program will be maximised when all families contribute. Your contribution will be used to supplement school funding for the purchase of resources needed in the provision of the learning program activities. The following tables show the approximate distribution of funds raised from voluntary contributions.

ADVANCE PAYMENT SYSTEM FOR CHARGES

To streamline the payment process, parents are encouraged to pay in advance for excursions and costs which occur throughout the year. Through EFTPOS, direct deposit, Visa or cash you can deposit an amount into your child's account. This money will be held in your child's name and each time your child participates in an activity the cost will be deducted from your child's account.

Payment can be made in the following ways:

1. Via Direct Bank Deposit

Name: West Leederville Primary School
BSB: 036 044
Account No: 123672
Reference: child's name and St Acct. (eg: John Smith St Acct)

2. Visa payment by telephone on 9366 9750, or call in at the office.

3. Cash/Eftpos at the front office in the Administration building.

6. P&C VOLUNTARY CONTRIBUTION

The Parents & Citizen's Association enables the school to offer a large range of services, program and resources. These are far in excess of what the school could offer with only \$60 school contributions and government funding. Funds raised through this voluntary contribution are strategically allocated by the P&C to support different programs and initiatives. Examples of this support include new reading books, sporting equipment, funding for playgrounds and gardens, educational support programs and extra funds for the library.

SCHEDULE	
Per student	\$70
OR	
Per family (3 or more children)	\$200

The P&C Voluntary Levy requested for 2023 is outlined in the table to the left. Please feel welcome to make an alternative contribution to the P&C that suits your capacity.

If you are experiencing problems paying any of these costs, please contact the Manager Corporate Services to arrange a payment schedule.
