

Dear Parent/Guardian

I am pleased to provide you with the following details regarding the Protective Behaviours incursion, *Keeping US Safe*, facilitated by Ali Fisher.

Protective Behaviours is a preventative program that teaches safety and empowerment, and is a mandated aspect of the WA Curriculum. It is a simple problem-solving program, which enables people of all ages to develop strategies to use in unsafe situations. These are skills that your child will carry with them for the rest of their lives and that your child will be able to draw upon should the need arise. The program teaches children that "We all have the right to be and feel safe with people" and that "We can talk with someone about anything, no matter what it is".
