

2025 Contributions and Charges Schedule

The West Leederville Primary School Board has endorsed this new schedule of Contributions, Charges and Fees for 2025. This is in accordance with the Department of Education's School Education Regulations, 2000 and School Education Act 1999. Financial support by parents plays a significant role in providing resources that extend our school's ability to add value to the learning experiences of students.

Please find attached a schedule that states all expenses you might incur in the 2025 academic year. All amounts that have been included are the maximum and will not exceed this amount. The Schedule is broken into four sections: voluntary contributions, voluntary approved requests, charges and other optional costs and personal items.

1. Voluntary Contributions.

According to School Education Act 1999, schools request a contribution of up to \$60 per child from Kindergarten to Year 6. Though this contribution remains voluntary, the quality of our teaching and learning program will be maximised when each family makes a contribution. The money collected from contributions will supplement funds gained from other sources including State and Commonwealth Government. Your contribution extends the school's capacity to add value to your child's learning experiences.

Voluntary Contributions Kindergarten – Year 6	
Curriculum areas	Cost
English Mathematics Humanities and Social Sciences Science Technologies Health and Physical Education Languages	\$60

2. Voluntary Approved Requests

West Leederville Primary School Parents and Citizens Association

The Parents and Citizens (P&C) Voluntary Approved Request enables the school to offer a large range of services, program and resources. Funds raised through this voluntary contribution are strategically allocated by the P&C to support different programs and initiatives. Examples of this support include new reading books, sporting equipment, funding for playgrounds and gardens. Join the P&C for more information on how they support the school.

The P&C Voluntary Approved Request for 2025 is outlined in the table below. Please feel welcome to make an alternative contribution to the P&C that suits your capacity.

P&C Voluntary Contribution	
Per student	\$70
Per family of 3 or more children	\$200

1:1 iPad Program Year 4-6

A 1:1 iPad program commences in Year 4 at West Leederville Primary School. This allows students to use ICT effectively and to become digital citizens. The approximate cost of the iPad will be between \$600-\$700. Participation in this program is voluntary, however strongly encouraged.

3. Charges and Other Optional Costs

Some of these activities will apply to all students, whilst others, such as IMSS and PEAC, only apply to selected students. Students will only incur costs if they are involved in the activity. The charges represent a maximum for the scheduled activities and parents will be advised of the actual charges when payment is due.

Personal Use Items

The *Student Personal Item* list covers the items students require to fully participate in the learning activities. The list of items will vary by year level. Some items, such as calculators and headphones, may be used in successive years. Other items, such as pens, pencils, glue, may need to be replenished throughout the year. A booklist of recommended items is provided for each child. Parents may purchase the items from any retailer or use the school's nominated supplier, Champion Education. Champion Education pays a commission to the school on items purchased through the Back-to-School program. The table below gives the maximum costing for each year group.

Personal Items K-Year 6	
Kindergarten	\$100
Pre-primary – Year 6	\$250
